General Rules:

- No Sport or Expert racers on Beginner teams (classes based on 2006 Norba status).
- Cutting of course or any form of cheating will result in automatic disqualification of entire team.
- Team with most laps wins, tie breakers will be determined by fastest overall time.
- Each racer must check in and out at scoring before continuing.
- Each racer that begins a lap must finish the same lap.
- Racer changes can only be made in the transition area.
- Each solo rider and team will be issued a "team water bottle" with team # on it.
- Each racer must carry team water bottle for the entire lap.
- Loss of team water bottle will result in a 10-minute penalty.
- Transfer of team water bottle to next rider must be done only at scoring.
- Each racer will receive a number plate which must be in place for each lap.
- Loss of number plate will result in a 5-minute penalty.
- All transfers of equipment must be done in transition area.
- All bikes must pass visual safety inspection before entering race course.
- All on-trail repairs must be done by the racers themselves with no outside assistance.
- All assisted repairs must be done in transition area.

Act responsibly and have fun!
